

22ND INFANTRY TEAM PROVES TOO CLEVER COMBINE FOR C. Q.'S.

Visiting Soldiers Show Fast Article of Baseball. Pitcher Smith Has Home Stickers at Mercy. Allowing Scattered Five Hits.

The 22nd Infantry team took the laurels away Sunday afternoon, defeating the C. Q.'s by the rather top-heavy score of 10 to 4. So small was the "crowd" that one would almost be forced to the conclusion that baseball is not as popular in and about Bisbee as in some other quarters of the U. S. A., where the populace is supposed to assemble en masse at almost any old offering involving the national (outdoor) pastime and "shoot its head off" for a blissful hour and a half or more. Or are there some lovers of the game in Bisbee who are become dissatisfied with the present mode of exposition of the game at Warren Park?

Along about the time that things began to break badly for the home team, Manager Buchanan elected himself to take his place in the ranks. In order to find a place for himself, of course somebody had to be removed. Manager Buchanan decided to take out one of the select few who were able to solve either of the opposing deliveries. So Rightfielder Livingston was called to the stable, almost immediately after he had driven out a beautiful two-bagger off the magnificent delivery of Pitcher Smith of the 22nd Infantry. The immediate cause of Livingston's removal seems to have been the fact that he misjudged a long hit off the bat of Pockrant. Beyond the fact that Livingston was playing too near center field, presumably at his manager's dictum, he is not open to very harsh criticism for failing to get the ball, which traveled exceedingly high in a storm wind which kept it whirling first in one direction and then in another. After a long run, Livingston just managed to get his hand on the leather which bounded away, allowing the baserunner to reach third, from which he scored a moment later. Manager Buchanan did not get a chance to show whether he retained any of his former fielding prowess. At the bat he popped up two weak flies to first and second. As the score of the game shows, the C. Q.'s needed hits Sunday. It looked like peculiar judgment for a manager, long out of his days of clever work, to substitute himself for the only man who had been able to drive out a long hit off the shrewd moundman of the 22nd Infantry.

After the battering introduction which had preceded Pitcher Cassidy, it was a bit disappointing that his showing was not what it might have been. However, June should not have been too far from an opinion relating to the ability of the new pitcher. At the very beginning it was evident that Whitesides was having his troubles with the handling of Cassidy's delivery.

Pitcher Smith, who served them over most of the time for the visitors, showed that he had a great assortment and this, coupled with the fact that the home hitters were off their usual form, spelled downfall for the C. Q.'s batting average aspirations. Then, for reasons partly explained, the visitors took after Cassidy's offerings rather freely, bunching their hits in a manner which spelled scores.

The 22nd Infantry team presented far and away the best article of ball offered this season by any visiting combine. This team is slated to play here next Sunday against the C. & A.'s and it should be a game worth watch-

ing. Apparently the 22nd is the strongest outfit in the soldiers league, although the official standing may not show this. The visitors know what to do with the ball when they have their hands on it, something which could not always be said of their opponents. They were accompanied by First Lieutenant Taylor, manager, and Captain Whitfield, one of the three directors of the Soldiers League. Both officers are baseball enthusiasts and display an admirable interest in co-operating with their subordinates in the promotion of this great sport. As a result, there is a whole lot of healthy baseball interest among both soldiers and civilians at Douglas.

For the first few innings, Sunday's game looked like a splendid exposition of the sport, but then things began to happen. The home team seemed to exercise less judgment and this, coupled with the fusillade off Cassidy, threw the game into the fire.

The visitors scored one in the first. Hayes was hit by the pitcher, Hoffman walked but was caught, catcher to keystone. Laubach fanned. Banks hit for two sacks. Hayes scored and Erickson fled out to first.

The home team could not tally until the fifth but the soldiers annexed three in the fourth. Two were out before the agony started. Pockrant tripled. Kemp and Scanlon walked. Smith singled and before the C. Q.'s had returned to terra firma, after a summary aerial trip, the three big tallies were chalked up.

For the home team in the fifth, Whitesides walked. Duhart sacrificed pitcher to first. Green fouled to third. Cassidy singled with a beautiful low drive between short and second. Whitesides scoring. Paden struck out. The C. Q.'s did not score again until the seventh.

Two more were set up for the visitors in the sixth. Errors by Duhart and Green opened the trouble. Smith struck out. Hayes singled and Kemp and Scanlon scored, while the locals threw the ball around promiscuously. Cassidy harling the ball through a hole in second. Hoffman went out to first.

The seventh was the real fireworks and what little ambition the locals had, went far away. Laubach tripled. Banks was out, pitcher to first, on a fielder's choice. Erickson tripled, scoring Laubach. Pockrant was down short to first, Erickson scoring on the out. Kemp tripled. Scanlon singled and when Paden fooled with the ball, Kemp went over for another. Smith was safe on Smith's error and Scanlon tallied. Hayes ended the dirge by whiffing.

The home team scored three in the seventh and ninth. In the former session Hodges tripled and scored on an error by Martin. In the ninth Bout was safe on Laubach's error. Hodges fanned. Whitesides got a life on a slip-up by the first baseman. Boat scoring. Duhart fled to Laubach. Bout was safe on an error by first and Whitesides scored. Cassidy fanned.

For the home team, Green made a wonderful catch of Banks' terrific line drive to the hot corner, the new C. Q. third-sacker taking the ball on his bare hand. At first Smith accepted his fielding chances in nice shape with the exception of one slip-up. Rightfielder Pockrant of the visitors made a remarkably accurate throw to the plate, catching Livingston in the fourth.

The summary:

22nd Infantry									
Hayes	1b	ab	r	h	po	a	e		
Martin	1b	2	1	1	0	0	0		
Hoffman	1b	2	0	1	0	0	0

CUBS SIXTH STRAIGHT

CHICAGO, May 3.—The locals made it six straight. Home run by Hinchman and Sailer, fast base running, hits and a wild pitch, brought in four runs in the third inning.

	R.	H.	E.
Pittsburg	1	5	0
Chicago	5	4	0

Batteries—Cooper and Gibson; Pierce, Homphries and Bresnahan.

GIANTS WIN BY RALLY

PHILADELPHIA, May 3.—Blanked up to the eighth, then a rally in the ninth won for the giants by Robert's double. Fletcher's hit, a sacrifice fly, two singles and a bad throw to the plate did the trick.

	R.	H.	E.
New York	2	9	0
Philadelphia	2	7	2

Batteries—Fromme and Meyers; Chalmers, Ritter and Burns.

BRVES LOSE PITCHERS' DUEL

BROOKLYN, May 3.—Dell had the better of a pitchers' duel with Rudolph. Successive triples by Cutslaw and Myers with one out, gave the locals the winning run in the seventh.

	R.	H.	E.
Boston	2	8	1
Brooklyn	2	5	1

Batteries—Rudolph and Gowdy; Dell and Miller.

Quickly Relieves Without Distress

The congestion of waste and refuse from the stomach, fermenting in the bowels, generates poisonous masses that occasion distress and invite serious illness. Health and comfort demand that this congestion be speedily relieved and the foul mass expelled.

The well-founded objection most people have to the violence of cathartic and purgative agents is overcome by using the combination of simple laxative herbs with peppin that is sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. A dose at night brings relief next morning, without discomfort or inconvenience. A free trial bottle can be obtained by writing to Dr. W. B. Caldwell, 452 Washington St., Monticello, Ill.

Come In and See the New Seven-Passenger

Our Demonstrator will be in Bisbee this week

CHANDLER SIX

The Pioneer Light-Weight Six

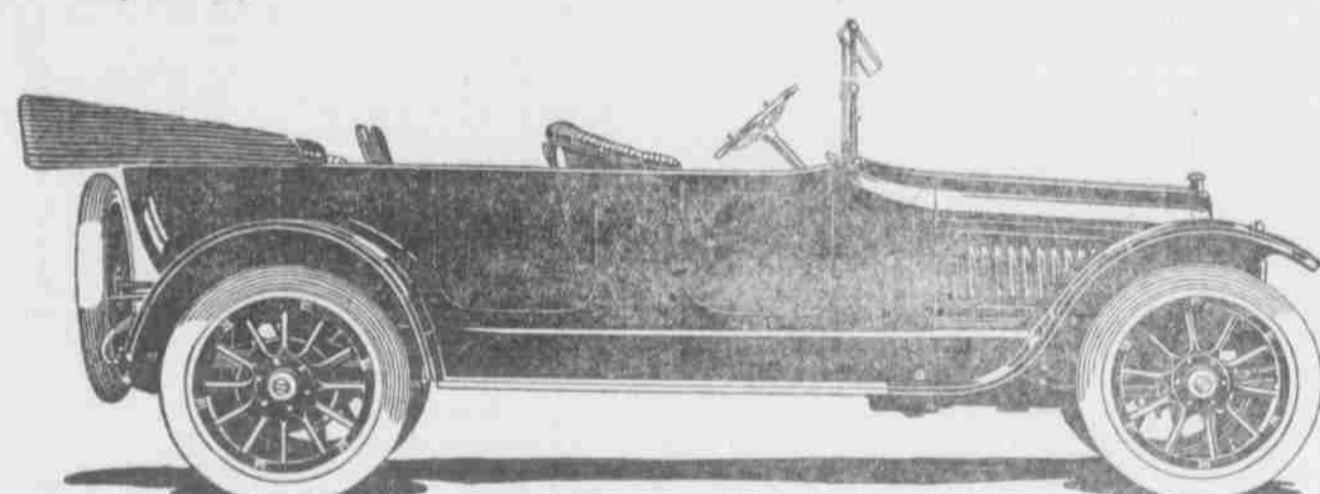

\$1445

In Douglas

thing, and more too, that the factory said it would be. You simply cannot help being enthusiastic about it.

If you are one of the hundreds who have been waiting to see the new seven-passenger Chandler, this announcement will bring good news. For it's here.

We have just received our first shipment. Come in and see this wonderful car the very first thing. It meets, and even excels our most hopeful expectations. It is everything, and more too, that the factory said it would be. You simply cannot help being enthusiastic about it.

No Cramping, No Crowding
 The seven-passenger Chandler is a long, roomy car, luxuriously finished and upholstered, and with a genuine seven-passenger body.

Up in front is that same marvelous Chandler motor that in three years' time has made the Chandler the recognized quality leader of light sixes—one of the really famous American cars.

It doesn't seem possible that such a car could be built to sell for \$1445. No other manufacturer has produced such a splendid car for such a low price.

Still the Chandler has always offered seemingly impossible value ever since the company brought out the first high-grade light-weight six selling for less than \$2000.

Chandler has led all the way in the light-six field.

Tried and True, Not Experimental

One of the most pleasing things about the new seven-passenger Chandler is the fact that, except for its longer wheel-base and big roomy body and a few general

improvements, it is the same car you have heard so much about the past year—the same car that sold so successfully, with only five-passenger body, at \$1595.

That's a point the motor-wise will recognize as very important. It is not a new model, not a new design, not a new motor, designed to meet price tendencies.

Not a single feature of design or materials has been cheapened in quality to make the price possible. It is the car that for two years has established price tendencies, not followed them.

NO OTHER CAR AT LESS THAN \$2000 POSSESSES ALL THESE FEATURES

The exclusive Chandler motor, of Chandler design, built in the Chandler factory. A power, quiet, economical, beautifully finished motor that any man may well be proud of.
 Bosch Magneto, and Bosch Spark Plugs.
 Gray & Davis Electric Starting Motor.
 Gray & Davis Electric Generator.
 Rayfield Double-Jet Carburetor.
 Mayco Genuine Mercedes Type Radiator.
 Worm-Bevel Rear Axle, smooth-running and silent.
 Cast Aluminum Motor, base extending from front to back, giving rigidity to the engine mounting, providing protection for magneto, water and oil pumps and generator and doing away with necessity for a dirty, fatty sheet-metal drip pan.
 Three Silent Chains, enclosed and running in bath of oil, for driving motor shaft.
 Genuine Hand-Buffed Leather Upholstery.
 Firestone Demountable Rims.
 Sargent Vacuum Gasoline Feed.
 Guide Patent One-Man Top covered with high-gloss Never-Leak.
 Jolly Curtains.
 Hair Patent Top Holders.
 Motor-Driven Horn.
 Sargent-Warner Magnetic Speedometer.
 Instantly Adjustable Tire Carrier (no straps) at rear of tonneau.
 All the usual incidental equipment.

Easy Adjustment of Auxiliary Seats

You will be delighted with the lines and grace of the seven-passenger body. And with the comfort and convenience of the seating arrangements.

The tonneau seat and the driver's seat are wide and deep and thickly cushioned. The auxiliary seats are of the most clever design. When not in use they fold away into the floor and back of the front seat, leaving the tonneau free from any marling obstruction and converting the car into an extremely roomy five-passenger carriage.

Order Early If You Want To Be Sure

With new buildings and added equipment the factory has increased its production greatly for this year, but even this big production will not be big enough to fill the demand.
 Since we first saw the new seven-passenger model, we have tried hard to double our order to the factory. We want more cars, and so does every Chandler dealer all over the country, but we can't get them. This car is so far out in front of all others, that we know we could sell twice as many.

We will have to be content with what our contract calls for. But that is our loss, not yours, if you place your order early. We are going to try to keep a sample car on our floor. There is one here now. Come in and see it. Come in and have a demonstration of this leader car.

Bring your family along, or your family and friends, and see how comfortably the Chandler seats seven.

WARREN GRAYS LOSE CLOSE GAME TO THE ELEVENTH IN DOUGLAS

Warren Grays, in Typical Border City Windstorm, Bite the Dust Before Soldiers by Close Score of Six to Four.

The Eleventh infantry trimmed the Warren Grays Sunday at Douglas to the tune of 6 to 4. Considering the high wind it was a good game, but the result seemed to belong to the Eleventh from the jump. While the Eleventh made four errors, only one of them figured in the run getting.
 Schreck in left field seemed to be "off his feed," and his fielding was not up to expectations. Willing pitched six innings for the Eleventh and showed well, but hung out the distress signal at the end of the sixth. C. Graham coming to the rescue. Adkerson for Warren was a bit unsteady in the pinches, which proved his undoing, for the Eleventh sniped down the game to the eighth with two runs, just to make it a cinch. Snyder hit what looked like a sure homer in the third, but was called out for failure to touch

second, although he scored Garrett ahead of him.

IS SALVADOR'S NEW ENVOY IN AMERICA

Senor Don Rafael Zaldivar.

Senor Don Rafael Zaldivar is the new representative of the republic of Salvador in Washington. He comes of a very prominent Salvador family, his father having once occupied the same position. His son does now, besides having once been president of his country.

ALLIES OCCUPY MAITOS

LONDON, May 3.—Various special dispatches from Mitylene, reaching London via Athens, say the allies have occupied Maitos, on the Dardanelles, 22 miles south of the town of Gallipoli.

BARKENTINE REACHES PORT

LOS ANGELES, May 3.—Wallowing along behind the steamer Yucatan which picked her up off Point Arguello yesterday, the power barkentine Archer reached port tonight battered and waterlogged by the recent gale and her crew of sixteen exhausted by three days and nights of battling with buckets.

Beware of Ointments for Catarrh that Contain Mercury

Mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surface. Such ointments never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by V. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying
